Epson **EB-1771W**

DATASHEET

Whether travelling on business or simply moving between meeting rooms, this ultra-mobile projector is the ideal choice for effective, stress-free presenting on the move.

The lightweight, slim design of the Epson EB-1771W, along with its carry case, makes it effortless to transport. Set-up and shut down is easy with the quick start-up and instant-off functions. With its fast, responsive Wi-Fi connectivity, you can connect your laptop wirelessly[1].

Ensure that you always have a straight image, no matter the projector's angle, with Epson's automatic vertical keystone correction and manual horizontal keystone correction which helps align images during set-up.

With PC-free connectivity you can present slideshows directly from your USB memory stick, cutting down on the amount of equipment you need to carry with you. The slideshow displays PDF documents as well as static images.

This ultra-mobile projector is also compatible with Epson's iProjection app. Once downloaded to your smartphone, you can send Word (doc, docx)[2], Excel (xls, xlsx)[2], PowerPoint (ppt, pptx)[2], Keynote and PDF documents wirelessly to the projector, giving you extra options to enhance your presentations on the move.

The EB-1771W is enhanced by Epson's 3LCD technology to provide superb quality images. An equally high White and Colour Light Output of up to 3,000 lumens means you can present during the day without having to switch off lights and, with HDMI input, high-definition content can be shown with maximum clarity.

KEY FEATURES

- High White and Colour Light Output
- Optional Wi-Fi connectivity
- Automatic vertical and manual horizontal keystone correction
- Display PDF documents in slideshows
- Optional Epson iProjection app
- Epson's 3LCD technology
